

Daily Routine...

- 1) I open the MT4..
- 2) Go to daily see where the price is in relation to 10ema/200ema.(3 minutes)
- 3) Go to 4 hours see where the price is in relation to 10/200/800ema..(5 minutes)
- 4) By now you should know if you are going to short or long today.(3 seconds)
- 5) Now go to 15min..wait there patiently for the setup. Sometimes I'm very impatient..
- 6) Watch the price....in relation to 10/200/800emas....
- 7) Cook the trade and take it according to your taste...
