Davit, come back to the Thread. Ignore the foolish people. This thread has died with out you. Sad.
Life isn't about finding yourself, life is about creating yourself.

For a pivot EA coding request I needed an indicator which shows the history
values...quick coded in one hour with less options but useful if you want 2 see how ur
strat behaves in history...many for someone here...
The indi is as it is...only like a hammer...a tool for helping me coding and verifieng the
EA...
