Hi Guys

This is going to be my last post here. I find once again FF not reciprocal place for me. Too many distractions not enough real traders. My account is healthy and I pay all my bills from trading so whatever you read from idiots which are plenty here is simply not true. My trading is on very high level and want to keep it there. I shared here a lot some benefited some did not. That's true everything else in life. Everyone is on different development stage as human as trader. With that best of luck to you and wish you the best. 🌿👊

I prefer you don't respond to this post by quoting. Thank you.

In the time of your life, live—so that in that wondrous time you shall not add to the misery and sorrow of the world, but shall smile to the infinite delight and mystery of it.”

— William Saroyan
