OFFICE OF THE SECRETARIAT

To Whom it May Concern:

I understand that the CFTC is considering new regulations on the retail forex market, particularly a change in leverage to 10/1. I strongly object to this new regulation and want this new regulation removed from your consideration. It is unnecessary and intrusive, and damaging to my trading efforts. It is an unwelcome attempt to "save me from myself" that will only curtail my personal trading. I am sending a copy of this email to both of my US Senators, Senator Durbin and Senator Burris, and to my US Representative, Rep. Peter Roskam, and will request that they contact you with their objections, too.
