

Dan Teamwork Trading Rules

General

Trading Times: Start at LO and on duty for 1hr15 (except for the usual excuses)

Instruments: DAX

Entry Time Frame: M1

Setup

Target 3R to TZ1 or next level

Review of HTF (m15 and H1) to establish likely direction and targets per Snorm review.

News review. No trading 30mins before or 5 mins after high impact news

- **1st AC's on the levels – FVG, Opens, ONs, SDZ, FE**
 - Clean impulsive move
 - Price will close above / below level m1
 - ABC required
 - Retest level with a reversal candle setup – eg IB, Pinbar, Hammer, Engulf
 - PO entry with SL on candle wick or swing if required
 - Setup candle < 20 points

Trade Management

- SL BE after first retrace and close above previous high
- TP at target and TC 5 points before target
- Lock on each AC if required
